Public Works Monthly Report October 2016

Emphasis this month was on the following:

Highway Division:

- **Roadway Maintenance** – During the month, Township staff concentrated its efforts on repairing storm inlets, repairing curbs on newly resurfaced roadways, and picking up roadside litter on township roads. (see attached)
- **Annual Road Resurfacing –** The Township contracted services to resurface Township Line Road North with both a binder and top course of hot-mix paving. Approximately .6 of a mile was resurfaced. This brings the total of roads resurfaced for 2016 to 9.2 miles of roadway.
- **Roadway Line Painting –** As part of the annual road resurfacing program both outside services and Township staff continued to traffic paint newly resurfaced roadways as well as other roads and intersections of the Township. (see attached)
- **Street Sweeping Operations** – Township street sweeping continues Township wide. Approximately 47 cubic yards of debris was swept up during the month. (see attached)
- **Storm Sewer Repairs** – Township staff continues to inspect and repair storm sewers throughout the Township. Most of our efforts are concentrated on roadways scheduled for resurfacing on the 2017 resurfacing program. (see attached)
- **Street Sign Upgrades** – Township staff continues to replace and repair existing street signs and regulatory signs on many Township roadways. This task is ongoing to bring signage in compliance with new state and federal reflectivity standards. Most regulatory signs are being upgraded on all newly resurfaced roadways. (see attached)
- **Vehicle Maintenance** – Township mechanics and other Township staff maintained all Township vehicles and equipment as need and as scheduled. (see attached)

Parks Division:

- **Parks Maintenance –** Township Park Staff continues to perform annual seasonal parks maintenance at all Township parks. Staff and outside contractors are mowing all active parks for recreational use. Staff continues with tree trimming and trail maintenance in active and passive park areas. Township staff was continuously irrigating the fields at Wentz Run Park. (see attached)
- **Tree Trimming and Removal** – Township staff and outside contractors were busy trimming and removing trees on both Township parkland and in Township rights-of-way. (see attached)
- **Roadside Mowing –** Township staff continue mowing Township roadsides as needed and scheduled (see attached)

Building Maintenance Division:

- **Buildings Maintenance** – All Township buildings were maintained as scheduled and as needed. Both outside contractors and Township staff have completed the second and final phase of repairing and replacing concrete walkways around the administration complex. The Administration building HVAC study was completed during the month. (See attached)

- **Administration and Police Department Access Control Renovations** – The upgrades to all doors in the Administration building and Police station are operational. Exterior door locks and electronic controls are installed as contracted. We are working on coordinating the fire alarm with the access control system. Once this is completed we will schedule a final walk through and closeout of this project.
- **1895 Schoolhouse Upgrades** – The successful bidder to stucco the entire building started to perform work during the month. The first phase was to demolish and remove the old stucco. This phase is underway. We hope to see this project completed by early December. These upgrades are part of the 1895 Capital Assessment Plan performed in 2015.

Sewer Division:

- **Pump Station Maintenance** – Township staff maintained all seven Township owned sewer pump stations as needed.
- **Jennifer Lane Sewer Repairs** – Public Works started this project during the month with the successful bidder for the project. This project includes the replacement of approximately 250 feet of eight-inch sewer line in the Forest Creek Subdivision. The project has run into some problems with unstable soils and required wider trench excavation than was originally anticipated. There will be some adjustments to this project after a scheduled meeting with the contractor and Township staff.
- **Sewer Maintenance** – Township staff continues to clean and televise Township sanitary sewer lines as routine maintenance of the conveyance system. There have been several meetings with the PennDOT team regarding the 202-widening project. There are several areas along the project that will require moving sections of the Township's conveyance lines. (see attached)

Vehicle Maintenance Report
October 2016

Date	Vehicle ID	Miles	Hours	Description of Work	Labor	Parts	Staff
10/3/2016	T24	4,580	3	C/O oil leak at read of truck, found hydraulic fitting broke,replaced fitting switch pump over to new drum, top off fluid	$ 45.00		Rob
10/3/2016	T1	22,049	5	Remove left tarp cylinder and mounting bracket, use olf fittings	$ 75.00	$ 402.50	Rob
10/4/2016	LL2-Bobcat		4	Install new latch hold downs on milling head, clean out and tap thread for bolt hole for side plate, go to cook track to pick up T3 and take to municipal supply	$ 60.00	$ 88.60	Rob
10/4/2016	S3	6,952	8	PA State Inspection, went to Cook Track to work on T30, air up tires, top off fluids, grease truck, replaced left rear turn signal	$ 120.00	$ 0.75	Rob
10/4/2016	S3	48,805	8	Changed oil and filter, set tire psi, inspected brakes, installed side plate on LL2 with Rob, Took T3 to municipal supply, went to Cook Track brought up 12c	$ 120.00	$ 17.85	Marc
10/5/2016			5.5	Work on heater in bay, worked on L2	$ 82.50		Marc
10/7/2016			3	Went to Firestone to pick up tires, jump started C25 and put on charge, work on 46-4	$ 45.00		Marc
10/11/2016	C-20		8	Tap school installed cap on L20, road suv LL2	$ 120.00	$ 12.45	Marc
10/12/2016			1	Went to Bergerys Ford to return core	$ 15.00		Marc
10/12/2016	T20	8,720	36	Went to Cook Track for truck, washed truck, PA State Inspection, went to LTAP meeting, cut out brine tank, fill and replace brine tank outlet clogged and must be replaced, call around for parts, change air filter, change engine oil and filter, installed salt spreader.	$ 540.00	$ 270.42	Rob
10/12/2016	46-4	72,759	8	Removed front bumper, removed both headlamps, replaced bad socket and bulb on left side and socket	$ 120.00	$ 632.06	Marc
10/17/2016	C-24	40,830	6	State inspection, ambler tire El test, replaced wiper blades, rotate tires, set tire psi, took rob to cook tract moved trucks back T17	$ 90.00	$ 62.45	Marc
10/18/2016	L2		11	Went to Walnut st for no throttle complain, found throttle cable melted, brought back to shop, replaced cable, installed heat resistant material on exhust pipe	$ 165.00	$ 462.25	Rob
10/20/2016	T-26		8	Went to Firestone to pick up tire, went to Township Ln North and added four gallons of water to 6 batteries in sign, worked on brine tank for T26	$ 120.00		Marc
10/21/2016			4	Went with Steve to work on sign board, took radio men to Cook Track to work on L4, went to Bergerys Dogde to pick up 46-10	$ 60.00		Marc
10/21/2016	T-11	63,118	1.5	Replaced tire	$ 22.50	$ 123.66	Marc
10/24/2016	Sign Trailer		7	Installed 6,batteries and 2 fuses,installed spreader on T-20 with Rob	$ 105.00	$ 697.62	Marc
10/25/2016	C-10	10,612	4	Changed oil and filter, inspect brakes, set tire psi, went to Bergy tire	$ 60.00	$ 17.85	Marc
10/26/2016	T-20		7	Remove spill plate, installed spreader,Box Go To Look Trac for spinner install on truck,found spinner motor leaking,replaced spinner motor and hoses and fittings	$ 105.00	$ 252.00	rob
10/27/2016	T-24, T-1, T-5,T-3		16	Take off spill plate, go to cook trac for spinner, install spreader box,clear brine filter and install,order parts - put stock away - help Earth born tech with cable,clean floor,pick up Denny at Del-Val	$ 240.00		Rob
10/27/2016			4	Installed spreader on truck	$ 60.00		Marc
10/27/2016	T-28	39,513	12	Installed new tank craddle, wired truck for brine	$ 180.00		Marc
Totals					**$2,505.00**	**$ 3,040.46**	

Police Vehicle Maintenance Report
October 2016

Date	Vehicle ID	Miles	Hours	Description of Work	Labor	Parts
10/5/2016	46-6	4,470	2.5	Changed oil and filter, set tire psi, inspected brakes	$ 37.50	$ 17.85
10/7/2016	46-1	425,188	1	Replaced head lamp bulb and checked fluids	$ 15.00	$ 50.31
10/12/2016	46-12	38,591	2.5	Changed oil and filter, set tire psi, and inspected brakes	$ 37.50	$ 17.85
10/13/2016	46-7	12,248	4	State inspection, took to Ambler Tire for EI Test, change oil and filter, set tire psi	$ 60.00	$ 50.00
10/14/2016	46-7		1	Repaired flat tire	$ 15.00	
10/17/2016	46-5	7,531	1	Installed tire from stock	$ 15.00	
10/17/2016	46-12	38,902	1	Replaced battery	$ 15.00	$ 107.95
10/21/2016	46-2	47,957	2.5	Change oil and filter, set tire PSI	$ 37.50	$ 17.85
10/24/2016	46-16	67,507	1	replace Battery	$ 15.00	$ 119.95
10/25/2016	46-13	26,362	4	Mount and balance 4,tire from stock,change oil and filter,set tire psi,state insprction, Ambler Tire for EI Test,installed wipers	$ 60.00	$ 110.10
10/29/2016	46-11	60,713	7	State inspection,Ambler tire, replaced sway bar and links,replaced front brakes and rotors,replaced air and fuel filter,changed oil and filter,set tire psi	$ 105.00	$ 370.22
10/31/2016	46-14	74,645	0.5	Replaced head lamp bulb	$ 7.50	$ 11.59
Totals					**$ 420.00**	**$ 873.67**

Sewer Monthly Report
October 2016

Date	POC	Remarks
10/1/2016	0	
10/2/2016	0	
10/3/2016	7	ck pump stations, Pa One Call, sump pump at Nwales not pumping. Ck trouble list, fill patch on Meade with cold patch, contractor patched ditch on Jennifer with cold patch, repaired sump pump.
10/4/2016	10	ck pump stations, Pa One Calls, ck trouble spots, cut grass at stations.
10/5/2016	14	ck pump stations, Pa One Calls, cleaned up sewer garage, unload little trailor, put away and straighten up at Twpline.
10/6/2016	12	ck pump stations. PA One Calls, worked on light pole for Cooke Tract.
10/7/2016	8	ck pump stations, Pa One Calls, finished trouble spot list. Cleaned S-5, repair light pole in park. Washed all trks.
10/8/2016	0	
10/9/2016	0	
10/10/2016	9	ck PA One Calls
10/11/2016	15	Ck stations, Pa One Calls, televised sewer repair on Jennifer Lane, checked right of ways for down trees.
10/12/2016	11	PA One Calls, clean up at stations, hydro excavated trench for new light at Cooke Tract. Called out to Beale Road for high water in wet well.
10/13/2016	0	
10/14/2016	15	Pa One Calls, cut grass at stations, went to Pen Hollow, cleaned lunch room and bathroom. Clean S-4
10/15/2016	0	
10/17/2016	9	ck pump stations, ck Pa One Calls, low level float light on at Addison, cleaned floats and probe -now normal. Changed bio block at Beale Rd, blow leaves at Butler. Cut tree in right of ways
10/18/2016	14	ck pump stations, ck Pa One Calls, scraped grease off valves at Twpline wet well.
10/19/2016	15	ck pump stations. Pa One Calls, blow leaves at Twpline North, worked on getting materials for historical building.
10/20/2016	10	Ck pump stations, Pa One Calls,
10/21/2016	20	ck pump stations, ck Pa One Calls, pick up man hole lids and frames.
10/22/2016	0	
10/23/2016	0	
10/24/2016	13	Pa One Calls, blow leaves at stations
10/25/2016	10	Pa One Calls, clean up around stations, install back up camera system on S-3.
10/26/2016	14	PA One Calls, cut grass at Butler Ave and blow leaves, clean up Townshipline shed. Called out by PD for blockage on Narcissa Rd. Now opened.
10/27/2016	8	PA One Calls Flag on Narcissa Rd, TV and root cut on Narcissa Rd.
10/28/2016	12	PA One Calls, cut grass at Stenton Ave, cleaned S-3, cleaned man hole on 202, cleaned lunchroom and garage.
10/29/2016	0	

Summary of Maintenance Work

Inlet Repairs

Between 10/1/2016 and 10/31/2016
