MANAGER'S MESSAGE:

As I am sure you have noticed, there has been lots of activity in Centre Square Village over the last few months. McCaffrey's Food Market opened in late July, major progress has been made at the new Centre Square Commons development, and Centre Square Fire Company has broken ground on a much-needed new station.

Centre Square Commons will feature a number of restaurants, retailers, and a specialty grocery store. The developer anticipates that the first tenants will begin moving into the development in 2017. In conjunction with this development, a new traffic signal will be placed on Route 202 that lines-up with Wawa's southernmost driveway. Additionally, when the new fire station is completed and the old station is torn down, a new roadway that provides a second access point to Centre Square Commons will be built. Along with this roadway, a traffic signal will be placed on Route 73 so motorists will have safe access to both Centre Square Commons and McCaffrey's/Kohl's.

Immediately adjacent to Centre Square Commons, the volunteers at Centre Square Fire Company (CSFC) have broken ground on a new fire house. The station features 6 bays, crew bunk quarters, expanded office space, an exercise room, and an enhanced training area. CSFC is currently raising funds to help pay for the new station and would appreciate your help.

Outside of the Centre Square Village area, we have made significant progress on a number of important open space items. The much anticipated dog park will open at Centre Square Park on September 18. Additionally, much work is underway to expand our trail systems with work to connect the Wentz Run Trail to our State Champion Pignut Hickory Tree. The trail system will also connect to the Green Ribbon Trail in Lower Gwynedd.

This issue of the Township Newsletter features many other topics that I couldn't cover here, with one significant item being the launch of Whitpain's new Traffic Task Force. Please be sure to sign up for our electronic newsletter, The Wire for ongoing updates.

BOARD OF SUPERVISORS

Adam D. Zucker, Chairman

Melissa Murphy Weber, Vice Chairman

Anthony F. Greco, Secretary

Frederick R. Conner, Jr., Treasurer

Kenneth F. Wollman, Asst. Secretary

Local government of the Commonwealth of Pennsylvania is divided into a number of classifications i.e., cities, townships, and boroughs. There are two categories of townships in the Commonwealth – those identified as townships of the first class and those known as townships of the second class. Second class townships make up the greatest bulk of municipalities in Pennsylvania. Whitpain Township is a Township of the Second Class. It is governed by a five-member Board of Supervisors elected at large by the electorate. Most, if not all, of the executive and legislative powers allocated to Whitpain Township in the State Second Class Township Code are vested in the Board of Supervisors. The Board of Supervisors is empowered to appoint professionals to assist them in the operation of the Township and to furnish advice and counsel on technical matters. Additionally, the Board appoints all of the members of the various advisory boards and commissions as well as the Zoning Hearing Board and the Planning Commission.

The levying of Township taxes and the appropriations to the various departments and subsidiary boards and commissions are the responsibility of the Board of Supervisors. During the months of November and December, public hearings are held for the purpose of reviewing the budget for the following year. Residents are encouraged to attend these meetings and to review the proposed Township budget during that time.

TOWNSHIP FORMS TASK FORCE TO ADDRESS TRAFFIC CONCERNS

One of the biggest issues facing Whitpain is the headache of traffic.

The Township's geographic position as the “Crossroads of Montgomery County” means that it deals with both east-west and north-south traffic that is moving through the county. To address some issues that come with traffic and traffic safety, the Township has formed a Traffic Task Force. This Task Force consists of police officers, engineers, public works employees, and administrative staff who comprehensively analyze and address traffic concerns.

“The root cause of our traffic issues come from the lack of capacity on Routes 202 and 73,” said Township Manager Roman Pronczak. “As traffic backs-up on these main roadways, frustrated motorists look for shortcuts through our residential roadways which are not designed to handle the volume of traffic.”

PennDOT plans to go out to bid for the expansion of 202 and 73 next year or in early 2018. Once this project is completed, residents will see welcomed relief in traffic delays. In the meantime, the Traffic Task Force will seek to address traffic issues while we wait for major relief. “The long-term solution to our traffic problems is state-funded roadway improvements,” said Mr. Pronczak. “However, in the short term, the Township can address issues like signage, traffic signal timing, and enhanced enforcement.”

If you have a specific traffic issue or suggestion, please email traffichelp@whitpaintownship.org.

FIRE EXPO

Centre Square Fire Company's Annual Fire Expo will be held at Wentz Run Park on Friday, October 7 from 6-9 PM. This annual family event features:

- Food and beverages
- Fire apparatus from departments throughout Montgomery County
- Medical helicopter landing
- Fire prevention displays and demonstrations

Please bring the whole family to the event to meet the men and women who help protect the community. The rain date is Saturday, October 8 from 6-9 PM.

Supervisors Approve \$2.15 Million Donation For New Centre Square Fire Station

In June, the Board of Supervisors approved a \$2.15 million donation from the Capital Reserve Fund to the Centre Square Fire Company (CSFC) for the construction of a new fire station. The state-of-the-art new station, which will be located behind the current station on Skippack Pike, will contain 6 bays, improved training facilities, and bunk rooms. The total cost of the new station is \$4.5 million.

In addition to the Township's contribution, the station will be built with CSFC capital reserve funds, a CSFC Relief Association contribution, and generous donations from the community.

Village Circle Detention Basin Gets Makeover

This summer The Township completed an upgrade to the Village Circle detention basin. The basin was originally designed in the 1970's and wasn't functioning to modern standards.

"We transformed an antiquated dry-bottom bed into a naturalized basin," said Whitpain Township Sustainability Coordinator Greg Klucharich. "This upgrade will help improve water quality in the Wissahickon Valley Watershed and helps our community comply with state and federal environmental regulations."

Stormwater Management Tips for the Homeowner

Cooler temperatures are on the horizon and it will soon be time to deal with those pesky leaves that seem to fall in greater numbers every year. As you begin your outdoor cleanup this year, consider the following tips to protect our creeks and streams from pollutants:

- Keep leaves out of our storm drain system. Leaf litter and any yard waste dumped into a stormwater basin or near a waterway can cause harmful nutrient accumulation. Leaves swept into the street can easily enter storm drains and make their way into the nearest creek as well.
- Consider composting. Compost can be used next year to condition your soil in order to absorb more rain water. This is an easy way to consolidate organic waste material to ensure that it doesn't enter a storm drain.
- Fertilize your lawn in the fall. Fall fertilization promotes vigorous root growth and prevents fertilizer from leaching into streams and ponds in the spring.
- Plant trees and shrubs. Fall is the best time for planting most trees and shrubs. Each large tree planted can intercept over 1,000 gallons of rainwater each year. The more trees and shrubs on your property, the more stormwater is controlled in your community.
- Winterize outdoor water lines. Disconnect and store hoses to avoid damage from freezing. As the wintry mix of snow and rain comes along, monitor the melt runoff and see where more improvements could be made next year to keep the water on the property.

Community Recognitions

Earlier this year, the Board of Supervisors started a tradition of recognizing institutions, organizations, businesses, and sports teams from the Township. Although this tradition started recently, Boehm's United Church of Christ, The Foley Hillsley Group, St. Dunstan's Episcopal Church, and The TASA Group have already been recognized for their contributions to the community.

If you know of a group or organization who should be recognized, please contact the Township at supervisors@whitpaintownship.org.

A CENTURY OF BRAVE SERVICE | HELP US BETTER SERVE YOU

STATION 33 CAMPAIGN

Serving You For More Than A Century

The Centre Square Fire Company was founded in 1913 with 35 charter members. Today, more than 70 volunteer and career firefighting professionals provide emergency response around-the-clock to protect you, your family and neighbors and those who work and live nearby.

The services provided by Centre Square volunteers save Whitpain taxpayers nearly \$2 million a year.

Centre Square moved into its current station off Skippack Pike in 1954. That home is being replaced with a new more efficient station at a better location. But the men and women of Station 33 need your financial support.

Your tax deductible contribution will help fund a modern station with better facilities, including enhanced training rooms. Visit www.CSFC33.com to make a donation or send a check payable to CSFC.

LEASHED dogs welcome!

WHITPAIN DOG PARK MEMBERSHIP ORIENTATION

For the safety, accountability, and enjoyment of users, Whitpain Dog Park is for registered members only. Orientation is mandatory in order to become a member of the Dog Park. Pre-registration is required and there is no cost to attend orientation. Any adult planning on bringing their registered dog to the dog park MUST attend orientation. Register online at www.whitpainrec.com.

For their safety, children under the age of 14 are not permitted in the Dog Park and children ages 14-17 must be accompanied by an adult.

Required Documents

- Current Vaccination Records (Rabies, Bordetella, DHPP)
- Valid PA Dog License
- Registration Form and Waiver

Annual Membership Fees

- Whitpain Township Resident: \$35 for 2 dogs (\$15/additional dog)
- Non-Resident: \$50 for 2 dogs + \$20/additional dog
- Memberships expire on 12/31. *If registering in the fall of 2016, memberships will expire on 12/31/2017*

How to Register for the Dog Park

You may register for a Dog Park membership during orientation ONLY if you bring the required registration form, COPIES of PA Dog License and vaccination records. Membership fees may be paid with check or cash at orientation.

If you are not registering during orientation, you may register in person at the Whitpain Township Building, Monday-Friday, 9 a.m. - 4 p.m. All required information must be submitted together. Registrations with missing paperwork will NOT be accepted.

SUPPORT THE DOG PARK

Purchase a brick (or two!) for the walkway leading into the Dog Park. Only \$100 per brick! Engraved messages can be as simple as a family or business name, or in memory of a loved one or dog. Visit www.whitpainrec.com for more info.

Ambler/Whitpain Football & Cheering

The AW Trojans teach the fundamentals of football and cheerleading to boys and girls ages 4 - 14 from the Wissahickon School District area. AW is poised to embark on its 19th overall season and hopes to add another League championship to its four previous championship seasons. Home games and practices are held at Stony Creek Sports Park on North Wales Road, in Blue Bell. *Those interested in playing should go to www.awtrojans.com or call 610-420-3806.*

Whitpain Recreation Association (WRA)

Founded in 1963, the Whitpain Recreation Association (WRA) is a not-for-profit organization made up of 100% volunteers. It has the sole purpose of helping to instill the ideals of sportsmanship, teamwork and respect in our local youth through organized sports. WRA serves the local community with year-round competition in both instructional and travel leagues for baseball, basketball, field hockey, soccer and softball. WRA's governing body consists of a Board of Directors whose members, along with chairpersons for each sport, and committees and coaches, provide operational, financial and administrative support for its members. *Visit www.wrasports.org for more information.*

The Township Supervisors thank the businesses that appear in this newsletter and recognizes each of them as contributors to our community. It is thanks to their advertising support that this newsletter has been produced at no charge to our residents.
